---

**FORT BENNING** – Fort Benning will conduct prescribed burning today in two compartments near the center of the installation.

Today's wind today is predicted to be from the southwest and should keep smoke on the Installation and away from sensitive areas and neighboring communities.

For more information, call the Public Affairs Office at (706) 545-2238. After duty hours and on weekends, call (706) 545-2218.
